JANE invited to Lee Jaguar to view the new XK

Aldo Cipriano has arranged a viewing of the new XK at Lee Jaguar, Wellesley, MA on the 2nd of August.

It's a social event with wine and cheese from hors d'ourves. It starts at 6:30 PM so arrange your calendar for that day.

JCSNE Concours

Concours d'Elegance, Sunday, June 11th

The JCSNE Concours moved to a new location this year, at the Quality Inn, 51 Hartford Tpke. (Rt83) at I84 exits 64 or 63 in Vernon, CT. north and east of Hartford.

It was an easy run from the Boston area on a beautiful day after a very rainy Saturday. I was greeted by a softly rolling green lawn next to Golfland in front of the Inn. A large tent was set upon the lawn with registration under cover. It also had picnic tables and the memorabilia table as well. A parking area was set aside for Jaguars. Hal Kritzman also had his judge's meeting under the big top.....a very nice set up. And the show field was right in front of the tent

Among the JANE members attending, most of whom also judged, showing their cars were as follows

Bill Mancini	Series II E type
Rod Gilbert	Series I E type
Eric Hagopian	Series III E type
Aldo Cipriano	XJ6
Barry Breen	XKR
Jim Roberge	E Type racer
Gary Hagopian	MK II

The field was down a little from past years, but Saturday was a monsoon so some didn't venture out even though Sunday was a gorgeous day.

A grassy play area was next to the tent as a play area for the youngsters. The Moms and Grannys could sit in the shade under the big top, watch the kids, and sip iced tea without having to leave the comfort of the picnic bench.

All in all, it was an enjoyable day, nice weather, nice cars and nice friends.

Alta and Bob Aldridge, the Spotted Cat JCSNE newsletter editor and her husband, JCSNE president, staged a very good concours.

HK Special at Larz Anderson Auto Museum

The above photo is the HK Special exhibited at British Car in the lobby of the Larz Anderson Auto Museum. The special hill climb car has recently been restored by Bob Alexander. The XK twin overhead cam 3.4liter engine has two superchargers and was raced in hill climbs in the UK in the 50's and 60's.

Carl Hanson and Dennis Eklof have submitted an a more comprehensive article to Mike Cook that will be published in an upcoming Jaguar Journal.

ROLEX VINTAGE CAR FESTIVAL

On Labor Day weekend, Lime Rock Park presents it's Vintage car Festival, the 24th annual.

BMW is a co-sponsor along with Rolex. Steve Earle, producer of the Monterey Historic Vintage Car Festival has been producing the LRP event since 2002 and it's stature has risen to an east coast version of the Monterey show.

Vintage racing is on the 4th of September.

Date: Monday, June 26, 2006 2:31 PM

Harry,

**British Car Day
 Larz Anderson Museum of Transportation -
 Brookline, MA
 Report by John Brady.**

British Car Day was held on a rainy Sunday, 25 June at the MOT in Brookline, MA. Approximately 12- 15 Jaguars were in attendance out of a total field of approximately 50 cars. JANE was well represented and once again took the "Best Jaguar" award by none other than our president Carl Hanson with his beautiful Pastel Blue Metallic 1951 XK-120 FHC. His ten year restoration has finally paid off, on his debut "competition". Second place went to Keith Carlson for his beautiful BRG D-Type replica race car, hot of the track from Lime Rock.

Bob Alexander won the "Museum Award" for his beautiful double turbo powered Jaguar HK Special

(Perhaps this last picture could be a cover shot showing Carl with his car and the award. (It's on the cover with John's XK120 DHC & Carl's XK120 FHC)

SECOND ANNUAL JANE POKER RUN

Object of event: Each entrant will drive to several selected locations as noted on the JANE Poker Run Direction Sheet and will collect 5 playing cards. The 5 cards will make a poker hand and the entrant with the best poker hand will be the winner and will collect an amount of money equal to one half of the collected pot.

Cards can not be swapped. There are no wild cards. Only official Poker Run Cards will be accepted for your hand.

Each Entrant will be assigned a special number.

At the home location, each Entrant will select one card from a deck as they begin their run. The Dealer will write the Entrants number on the reverse side of the card and hand it back to the entrant.

The Entrant will then proceed to location #2 noted in their official JANE Poker Run driving instructions. Here they will select another card from a remote dealer.

The Entrant will continue to drive to location #3 and select two additional cards, again they will be marked with their entrant's number.

The drive from this point will be back to the starting point where they will select the fifth and final card. Once marked with their entrant number, they will be required to present their poker hand to the event judge.

Best hand gets the money..

Last year's winner was Elaine Whyte who beat out Gary Hagopian for best hand

JANE's Concours at Sturbridge next month

This month's Coventry Cat has an entry form for the JANE Concours, held at Sturbridge on the 11-13th of August. If you plan to enter cars in the Concours, attend the dinner, or run the in the Poker Rally, please use the form on page 7. Check off the events, send a check along with the application to Alan Quinn and you're all set. Ed Hall has reserved a block of rooms at the Sturbridge Host Inn so call up to make your reservations soon.

Carmen Chiungos is hosting JANE's hospitality suite which is open Friday through Sunday with refreshments, snacks, and beverages as well as a continental breakfast on Saturday and Sunday.

This year at the Concours, there's another Jaguar Movie and some more Jaguar collectables. Friday Night at the Movies, Jaguars.

This year at the JANE Concours the movie will be provided by Steve Ring. His selections are always entertaining. As always bring your POPCORN.

The Concours is, of course, the main event. Alan Quinn is registrar for the entries while Aldo Cipriano is heading up the team of judges. Judging will start at 12:30. The tallying and scoring team will add up the results as well as class placement. The trophy awards will follow at about 4 o'clock. The banquet, under the tent at lakeside, will start at 6:00PM with a cash bar and a delicious buffet. Last year's dinner was well attended so make your reservations now. Dinners must be prepaid by August 2 as JANE must guarantee the number of attendees so please reserve yours as soon as possible.

After the dinner, it's time for Saturday Night-Jaguar Collectable Road Show. Bring an interesting and fun Jaguar item for our version of "show and tell".

As usual, Steve Ring will preside at the movies as well as the road show

A poker rally is planned for Sunday morning with a \$10.00 ante to play. At five stops along the rally route, each entrant is given a card for the deck. The best poker hand returning to the Host Inn splits the pot with JANE.

Carl Hanson is soliciting items for our silent auction as well as our raffle. He would appreciate any contribution of any item (cash is accepted)

JANE Spring Slalom, Nashoba Valley Ski Area

Our spring slalom at Nashoba was quite a success. There wasn't a cloud in the sky all day and the morning's cool light breezes gave way to temperatures in the low 70s by noon. Racing was underway shortly after 10 AM and all official runs were scored by 2 PM. 32 cars ran, while many other beautiful Jaguars graced the large parking area. Fans had great viewing from either the start/marshalling area or from a conveniently placed rail fence bordering the ski slope "Sundance".

The course surface was terrific- smooth, level, no cracks or breaks- and contributed to some great times. Gary Hagopian's 40.26 sec. was the fastest run of the day, but all drivers had good scores, and the wide range of driving styles made the watching for several dozen JANE viewers a blast!

John Darack improved his last year's time by over 2 seconds in his beautiful red, XK150 OTS while rookie slalomer Dave Randall impressed us with very smooth piloting of his '52 XK120 OTS.

Tom Parish took 1st in Class D with his E-type, while new member Ray Duhaime scored 1st in Class K with a very pretty XK8. JANE member Dick Whyte won the Street Prepared Light class with his #40 'E' edging your Slalom Chair in his black 120 DHC by over 2 seconds. JCSNE had strong showings with several class firsts. Dave Herrick shot two fantastic videos which can be viewed on the web site, the first showing JCSNE member Dean Cusano's XJS in action. Take a look. It's incredible! Not forgotten, non-Jaguar powered cars, Class Z, provided some of the best runs of the day!

Bill Parish awed us with spectacular "tail out" driving of his '73 BMW 2002. If that didn't drop your jaw, Wes Keyes pirated his daughter's 1984 Chevy Cavalier convertible and drove the pants off of it! If you Jaguar's not ready, no problem, just grab your kid's keys!!

While times were being tabulated, "Dollar" (non official) runs raised money for David's House. We couldn't stop the drivers from lining up. Gary finally said "just pick up the cones". Fortunately, everyone got in all the runs they wanted and presentations were made. We wish all drivers could have gotten an award, because the day turned out so well, but the competition was tough! Special awards "Fastest JANE Rookie"- Ray Duhaime, "Best Smoke Show"- Grant Sanborn, "Most Improved"- Tom Parish, "Most Noise"- Jim Roberge, and "Most Consistent"- Dean Cusano, added to the fun.

One of the nicest aspects of the Slalom was the number of JANE families at Nashoba. Our special thanks to Steve and Diana Thomas, Tom, Claire and Abigail Moses, and Alan and Jessie Quinn who helped out in many ways and made the event possible.

We'll be at Nashoba Valley to slalom again on Sept. 10 and plan to have an even bigger turn-out. Nashoba restaurant which was advertised as being "open" wasn't. Thanks to the Moses', no one starved, but next time we'll try to provide sandwich fixings. See you in the Fall...

FOR SALE:* Five Pirelli Cinturato radial tires, 4 each 185SR16 and 1 each 185S16. I bought these 3 years ago as New Old Stock, and used them on my XK150. They look great and perform well on sports cars and sedans of this era, but are not suited to slalom driving, as three such events have demonstrated to me. Since I have recently replaced them with "stickier" tires, they are available for only \$50 each. They are in great condition, with almost full tread and no sidewall damage. I also have 8 nearly new tubes to fit them, four of which were used for only a couple of hundred miles, at \$50 for the lot (they cost me 20 bucks each).
